Dear Sir:

Applicant in the above-identified patent application, unintentionally and in good faith, claimed small entity status in error at the initial filing of subject application, and for this reason paid the fees for a small entity. Having learned that the Applicant is not entitled to small entity status, and in accordance with 37 C.F.R. §1.28(c), Applicant authorizes and respectfully requests the Patent Office to charge additional filing fees for this application sufficient to pay the filing fee of a large entity, and to change the entity status for this application to large entity. The Commissioner is hereby authorized to withdraw the additional filing fees from PTO Deposit Account No. 50-2591.

Respectfully submitted,
